COURSE OVERVIEW

This Skill Set reflects the work required by people who need to complete shipboard safety units of competency required by the Australian Maritime Safety Authority (AMSA).

COURSE DELIVERY

The delivery of this qualification will be in a face-to-face classroom environment and practical training will be delivered at outdoor sites including swimming pools and on commercial vessels.

COURSE CODE	MARSS00008
LOCATION	QMTS Training, Brisbane Campus, Royal Queensland Yacht Squadron, 578 Royal Esplanade, Manly Qld 4179
COURSE FEES	\$500
DURATION	Full Time Face to Face Student: 3 day training program, conducted in the QMTS Training classroom and outdoors.
COURSE DELIVERY	Full time face to face training.

COURSE PROGRAM

These units are delivered as a full time three day training program, conducted in the QMTS Training classroom and at off-site training facilities (pool).

COURSE UNITS

UNIT CODE	UNITS OF COMPETENCY
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft

ASSESSMENT PROCEDURES

A combination of practical and written examinations will be undertaken.

All theory examinations will be conducted online and will require a laptop/tablet to be brought to class each day.

ENTRY REQUIREMENTS

No Specific entry requirements are stated in the Training Package as required for this course.

However, as a safety consideration, QMTS Training requires all students to be physically fit to carry out all the roles and responsibilities of a deckhand on a Domestic Commercial Vessel.

Students should be able to swim (any stroke) a minimum of 50 metres fully clothed.

ADMISSION REQUIREMENTS

Language, Literacy, and Numeracy

It is a requirement of this course that all enrolling students undertake a language, numeracy and literacy assessment.

Age restrictions

QMTS Training will accept enrolments from students before their 16th birthday provided they meet all other Admission Requirements.

Applicants must be 16 years of age or above to be issued with a Certificate of Competence under the National Standards for Commercial Vessels – Part D – Certificates of Competency by AMSA (Refer AMSA Guidance Notice).

Technology

As some of the resources are contained in a dedicated learner portal, a student must have access to a computer (with Microsoft Office 365 software).

Students will need to bring a laptop to class with them as they will need to be able to access their student learner portal throughout their classroom training and assessments.

Free Wi-Fi is available during training.

As students will undertake training in the use of the QMTS Training student portal they will require basic computer skills to complete the course without disadvantage.

ENROLMENT REQUIREMENTS
